

Financial Tear Sheet

Corporate Profile

We are a leading innovator and manufacturer of X-ray imaging components, including X-ray tubes, digital detectors, connect and control units, and imaging software, which are key components of X-ray imaging systems. Our imaging components are used in medical as well as industrial and security applications to detect, diagnose and protect. We have a 65-year history of innovation and industry firsts, manufacturing scale and long-term customer relationships.
